FRESHER'S DAY AND INTER SCHOOL COMPETITIONS

Fresher's Day is the memorable and enjoyable experience for new students making the beginning of an exciting chapter in their lives.

Fresher's Day is the beginning of brand new stage of life. It provides informal introduction to institution, friends and everyone. Since many freshmen may feel uncertain and apprehensive as they embark on this new phase of life, it is intended to instil positivity in them. The event was structured in the three categories based on Dancing, Singing, and Drama. Drama doesn't just boost the students' confidence, it develops their communication skills, and makes them stronger people, but it also improves their academic performances. Then comes the main event... Our children participated in Inter school competition held at Reliford International School and bagged medals and certificates and made school proud.
